Based on the cult hit film of the same name, The Full Monty is set in Buffalo, New York, where a bunch of unemployed steelworkers spy on their wives on a "Girls Night Out" watching male strippers. Jealous, out of work and feeling threatened, the men decide to try their hand and have a go, exposing themselves both physically and emotionally.

With a raucous mix of razor-sharp humour, toe-tapping pizzazz and the most highly anticipated closing number of any show, this heart-warming, upbeat comedy is a must for any theatregoer looking for a fun night out.
